

Identifying and preventing radicalisation in time.

beRATen e.V.

Counselling centre for the prevention of
neo-Salafist radicalisation in Lower Saxony

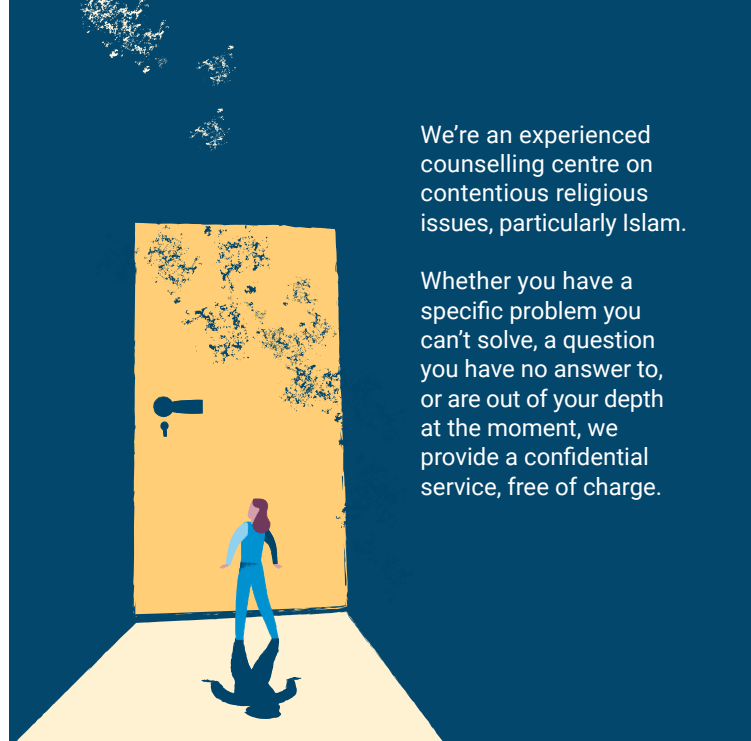

The world is **not** black and white.

Religious **extrem**ism divides us.

Are you **concerned**
about someone you know
and **don't know** what
to do?

We're an experienced counselling centre on contentious religious issues, particularly Islam.

Whether you have a specific problem you can't solve, a question you have no answer to, or are out of your depth at the moment, we provide a confidential service, free of charge.

Do **you** decide what
you believe in or do
others decide for
you?

Are you having a stressful
time with your family,
friends, at school or in your
job?

Do your problems appear
unsolvable? Are you starting
to doubt the path you've
chosen?

Talk to us and you'll find
people who take you
seriously, support you, just
listen and don't judge.

So that our world stays as **colourful** as it is.

**Ask us anything
you want.**

**We can provide information,
structure and understanding.**

**We can reveal
new paths.**

“Our job is born out of the conviction that it’s important to help people in difficult situations.”
